Abstract Notification.

The attention of the public is invited to the Notice calling for tenders, for "Laying Street Sewers to be connected to Submain Sewer No. 2; passing along Balepet to Sultanpet, Bangalore City," published on pages 257 and 258, Part VI of the *Mysore Gazette*, dated 9th March 1933. The last date for receipt of tenders is 28th March 1933.

B. R. GARUDACHAR,
Executive Sanitary Engineer.

BANGALORE BUILDINGS DIVISION, BANGALORE.

"Notification dated 1st March 1933."

Government having in their order No. P. W. 1795—1811-3, dated 31st January 1933 sanctioned the conversion of the office of the Head Quarter Range, Bangalore into "Buildings Division, Bangalore," all communications intended for the Range Office, will hereafter be addressed to the Executive Engineer, Bangalore Buildings Division, Bangalore.

A. TANDONI RAO,
Executive Engineer.

BANGALORE DIVISION.

Notification dated 7th March 1933.

Notice is hereby given that sealed quotations will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M., on 29th March 1933, for, "Constructing Urdu Middle School Building at Dodballapur." An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1934.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office, Bangalore Division, Bangalore, between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. The quotations should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 250 in cash as earnest money and be superscribed "Tender for Constructing Urdu Middle School Building at Dodballapur," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately, but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer, Bangalore Division, will be final and legally binding.

12. Quotations must be shown in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimate rate will not be accepted.

13. Any tender containing a conditional clause contrary to these requirements or making stipulations not provided for either in this advertisement or the abstract quantity will summarily rejected.
